

Sample Safe Driver Agreement

I _____, agree to the following safe driving habits so that I may do my part to make the roads a safer place and comply with all other driving safety policies my company has put into place:

- I agree to install a GPS device and keep it installed to the best of ability while I am driving a company vehicle
- I agree to receive a weekly driving safety scorecard (as long as I drive 30 min or 30 mi during the scoring week) and notify my supervisor if I fail to receive a scorecard
- I agree to use my weekly scorecard as a valuable feedback tool and work to improve my weakest areas
- I agree to encourage my peers to be safer drivers and improve their own driving scores
- I agree to always use a seatbelt, even if I am driving a short distance
- I agree to drive distracted free which includes not using my cell phone to call, text or check emails while driving
- I agree to let me supervisor know if I feel I am fatigued and should not be driving
- I agree to make every effort to keep my vehicle in good health and ensure it receives the proper maintenance
